SOUTH PARIS.

MISS MURIEL BOWKER was at home from the summer school at Gorham for the week-end.

Covenant meeting at Baptist church next Friday night will be at 7 o'clock instead of 7:30.

Mrs. L. J. Dodge and daughter, Miss Mary Dodge, of Minneapolis, are guests of Mr. and Mrs. A. J. Holmes.

Mrs. C. A. B. and Miss Lenora Benson, of Portland, are at the hotel, staying the week at Camp Concord, Concord Pond.

Mr. and Mrs. G. A. Cutting are spending the present week with Mr. and Mrs. Alton C. Wheeler at Camp Mooween, Shag Pond.

Mrs. H. C. Calvert and daughter Miss Irene of Jersey City, N. J., are spending two weeks at the home of Mr. and Mrs. M. C. Weeks.

Mr. and Mrs. Harry D. Cole and daughter, Mrs. Harry D. Cole, are spending Friday night from an automobile at the home of some through Canada and New Hampshire.

Mr. and Mrs. C. W. Carr and daughter Grace and son William of Portland, and Mrs. Donnie Lasse of Melrose Highlands, Mass., were guests of S. C. Ordway and family Sunday.

The girls of the Junior and Senior clubs of the Boys' and Girls' Agricultural and Home Making Clubs will go on a picnic to the home of the Rev. R. H. Lovejoy, at 10 o'clock and go together.

The Women's Auxiliary of the American Legion will hold its regular meeting Wednesday night, Aug. 1, at 7:30, and every one please come. All who have apron patterns please bring them, and also check, as we have come aprons to put out for the national convention.

Miss Georgia Hopely of Washington, D. C., who is making a tour of the state, will speak here on Friday of this week. Miss Hopely is the only woman federal enforcement officer, and is a member of the Constructive Information Bureau. She comes to Maine at the request of Roy Haines, federal enforcement director. The meeting at South Paris which she addressed will be held at the Baptist vestry at 3 P. M. Friday. She speaks at Norway in the evening of the same day.

The Baptist church is the only one of the four churches at which there will be a service next Sunday morning, it being vacation season at the others. In fact, it is vacation season at that church also, but as Rev. Mr. Wilson is to be in town, he will occupy the pulpit rather than have the church without any church service. The Methodist church began its vacation on Sunday, and will be closed until the 10th of August. The Congregational church had its last service on Sunday, and will be closed until Sept. 9.

(Additional locals on page 1.)

Paris Players.

The Paris Players, after six successful performances in near-by towns, will bring their first production, the comedy "The Millionaire," to the stage at the Paris Players' Association Hall, South Paris, on Friday night, Aug. 31.

This highly amusing play will be presented by a strong cast of local talent which has given two months to its preparation with the aid of careful direction.

After its swing around the circuit the play comes to South Paris for its final performance well seasoned and with a string of successful presentations to its credit.

The entire receipts of all performances of this play given by the Players will be turned over to the local church, the Rev. Mr. Wilson, and it is expected that a substantial sum will be raised. Rehearsals are on at the Howard's Drug Store.

The cast includes Eugene Lowell, Mae Stevens, Dorothy Davis, Herbert Gibbs, Louis Billings, Glenn Starbird, William Irvine and Roger Davis.

Horse Trot and Base Ball.

There will be a horse trot and fast games of base ball at Oxford County fair grounds next Thursday under the auspices of the Oxford County Agricultural Society.

The horse trot will be in the afternoon beginning at 1 o'clock. There will be horse races as follows:

2:15 class, trot and pace, purse \$200.
2:18 class, trot and pace, purse \$200.
2:25 class, trot and pace, purse \$200.

Admission to the grounds will be fifty cents, automobiles fifty cents. Admission to the grand stand will be twenty-five cents.

Base Ball.

The week's base ball campaign began Tuesday with a Waterloo for the Twin Towns. That club met the Livermore Falls team and was theirs by a score of 7 to 2.

The game at the fair grounds Thursday afternoon was for the Twin Towns over Farmington, 4 to 0.

The teams included in the Tri-County League are to-day, Monday, playing in the afternoon at Livermore Falls.

The All Stars of South Paris will play West Paris at the fair grounds, Wednesday at 5 P. M.

(Additional Norway locals on page 1.)

Harold C. Peckham of West Paris, who is executive for the Boy Scouts, has resigned, and Leslie L. Ferguson of Rumford, a member of the senior class at Bowdoin College, has been appointed to succeed him. He will be assisted by Glen D. Chamberlain, of Fort Fairfield, also a student of Bowdoin College.

C. Howard Lane, a well known citizen of Paris, attempted suicide at his home at West Paris Sunday morning by cutting his throat with a razor, but did not have the jugular vein cut, and a high surgical treatment it is thought he will recover. Mr. Lane had for some days been showing deep depression of mind, and his own physical condition and prolonged illness in the family.

Ernest Frazer of Denmark is in Fryburg Jail, charged with abducting Miss Charlotte Adams, a fourteen-year-old school girl of Biddeford. She disappeared from her home on the night of July 22. She had been last seen in the company of Frazer, so suspicion was directed toward him. He also was arrested on the day following the abduction. He was seen near a camp which he owns in Denmark. He was first seen traveling on his horse and knees through the undergrowth toward this camp which he entered. A posse of twenty men searched the woods Monday for the missing girl. On Tuesday both were apprehended in a camp which they had broken into in Denmark. The girl was taken home. She said she left because she did not like her step-mother. Frazer is twenty-five years old. He has been married twice. His first wife is deceased and he does not live with his second wife. He was bound over in the sum of \$500 for appearance at the October term Superior Judicial Court at South Paris.

MEN'S CLOTHING STORES

IN SUMMER

Wear Summer Clothes

It's no wonder that PALM BEACH is the most popular summer fabric for men's clothes. People know that and have got the habit of calling any lightweight summer suit a PALM BEACH SUIT. That is not correct. A genuine PALM BEACH SUIT is one made of genuine PALM BEACH CLOTH. We have that kind—the genuine.

The Manufacturers of Palm Beach Say:

You see PALM BEACH SUITS selling at different prices. Yet you know there is only one grade of Palm Beach Cloth. The difference is in the amount and grade or quality of tailoring.

It pays to buy a well tailored Palm Beach Suit. That's why we buy Kirschbaum's.

Possibly they cost a trifle more than a poorly made one but the value is there and the shape too. Do you like sloppy clothes? No. Then buy one of our Kirschbaum's.

Tasty Breads Quickly Made.

There is nothing in the line of bread more satisfactory "for human nature's daily food" than good, home-made, yeast-raised bread. It is not, however, always convenient to compass this, and even if we manage it during the rest of the year, it is often advantageous to have a variety of baking-powder breads, and a pleasant change or a tempting supplement to the more limited range of raised bread. Sometimes, too, the bread-box is not equal to a hurry call for sandwiches for a picnic, and what is more delicious in this line than a quick bread delectably enclosing bits of nuts, dates, or raisins within a delicate, golden crust?

An excellent, simple, and economical Raisin Bread is made as follows: Measure four cups of entire-wheat flour, two cups of bread flour, three teaspoons of baking-powder, one and one-half teaspoons of salt, and three-quarters of a cup of sugar. Add one and one-half cups of milk, one egg well beaten, and one cup of seedless raisins, floured slightly. Mix well together, pour into greased bread pans, and allow to stand fifteen minutes before baking. Bake at 375° F. about three-quarters of an hour or until done. The absence of shortening is not a mistake, as none is required in this recipe.

For Nut and Date Bread measure and mix together thoroughly two and one-half cups of entire-wheat flour, three teaspoons of baking-powder, one teaspoonful of salt, and one-fourth cup of sugar. Add one cup of milk, one egg well beaten, and one-half cup of finely cut dates (floured slightly), and chopped nuts. Last of all, add two tablespoons of melted shortening. Pour into a well-greased bread pan, allow to rise fifteen minutes in the pan, and then bake at 375° F. for about forty-five minutes or until done. This makes a good-sized loaf.

Walnut bread, which is made with white flour, is always enjoyed at luncheon, meals, picnics, and other out-of-door occasions. Measure and sift together two and one-half cups of bread flour, three teaspoons of baking-powder, one teaspoonful of salt, and three-quarters of a cup of brown sugar. Add one cup of milk, one egg well beaten, one-half cup of seedless raisins, floured slightly, and chopped nuts. Last of all, add two tablespoons of melted shortening. Pour into a well-greased bread pan, allow to rise fifteen minutes in the pan, and then bake at 375° F. for about forty-five minutes or until done.

Equally tempting is peanut bread. Measure and mix together thoroughly two cups of bread flour, two cups of entire-wheat flour, four teaspoons of baking-powder, one teaspoonful of salt, and one-half cup of brown sugar. Add one cup of milk, one egg well beaten, and three tablespoons of melted shortening. Mix in thoroughly three-fourths cup of chopped peanuts and one-half cup of seedless raisins, floured slightly. Beat all together well and pour into greased bread pans. Allow to stand fifteen minutes in the pan before baking, and bake at 375° F. for about forty-five minutes or until done.

Truism Bread has a flavor distinctly its own and is made as follows: Wash eight or ten large, soft prunes, place in a cup, and the cup with water, and allow to prunes to soak overnight. In the morning, dry, stone and cut the prunes in small pieces. Add enough water to the water in which the prunes were soaked to make one and one-half cups of liquid. Measure and mix together two and one-half cups of entire-wheat flour, one teaspoonful of salt, four teaspoons of baking-powder, one and one-half cups of milk, one egg well beaten, and one cup of chopped nuts. Beat well, combining thoroughly. Pour into a well-greased bread pan and bake at 375° F. for forty-five minutes or until done.

An excellent way to use oatmeal left over from the morning meal is in Quick Oatmeal Bread. Measure and mix together one and one-half cups of entire-wheat flour, one teaspoonful of salt, and four teaspoons of baking-powder. Add two tablespoons of milk, one teaspoonful of sweet pickle sliver or grape-juice, one egg well beaten, and one cup of chopped nuts. Beat well, combining thoroughly. Pour into a well-greased bread pan and bake at 375° F. for forty-five minutes or until done.

Griddle Bread served piping hot is excellent. Measure and mix together one cup of bread flour, one-half teaspoonful of salt, and two teaspoons of baking-powder. Add one tablespoonful of shortening and work until the mixture is stiff enough to hold its shape. Roll into a round the size of your griddle. Bake on a hot, buttered griddle until a golden brown on both sides, turning once. After turning, score the top lightly into pie-shaped pieces. When done, break apart, and serve hot with butter. If you prefer, you may bake this bread in a well-buttered frying-pan.

Having bought the trucking business of Carroll Penley, I am ready for all kinds of work in the line of trucking and general jobbing. Look for the white horse.

British Ships "Wet."

Col. Courthope, who amid roars of laughter was permitted by the English House of Commons, by a vote of 184 to 28, to introduce his bill, providing no passenger vessels shall enter British waters unless reasonably "wet." He intimated that the British government had that right inasmuch as the American government had decreed that all ships in American waters be "dry."

Denounces All "Isms."

James G. McFarland of Watertown, South Dakota, who was the unanimous choice as new Grand Exalted Ruler of the B. P. O. Elks, in the national convention at Atlanta, Ga. The new head of the order denounced all "isms," and declared that Americans should stand behind the constituted authorities in enforcing law and order.

When Making Sandwiches. I find a great deal of time is saved if the butter is mixed with the cream cheese, chopped fruits, or any other soft filling, instead of being spread on the bread separately and the filling spread afterward. This is not only a saving of time, but saving of butter as well.—Mrs. C. G. M., Mass.

When Frosting a Cake. When frosting a cake, I take one of the removable shelves of my bread and cake box, lay a piece of waxed paper on it, and frost my cake on that. There is no question then of the cake and its support not fitting in the box. So often the aluminum squares to hold cakes for frosting are too large for one's box.—Mrs. A. B. O., N. Y.

When Making Fish Chowder. To make a real meal of fish chowder, rub the yolks of hard-cooked eggs through a sieve, chop the white fine, and add to the chowder. Serve with the crisp, salty, whole-wheat crackers. You have a satisfying menu.—G. M., Mass.

For the Ironing Board. Tack a strip of heavy absorbent about one inch wide across the end of the ironing board and use it to slip the iron on in the process of ironing, thus saving the extra effort of raising the iron to the iron stand each time.—Miss S. H. E., Ark.

When Cutting Butter. When cutting creamery butter, wrap a piece of the paper in which it is enclosed around the knife, and the butter will be cut evenly, and none of it will stick to the knife. Mrs. R. O. O., Miss.
